The Scandinavian Masters is held every year in Odense, this time the 46th in the series. We would like to offer a tournament for all Scandinavian and Northern European youth teams. We strive to provide a high-quality event, competitive matches, and many good experiences for players and coaches. Arrival possible from March 6, 2026.

SCANDINAVIAN MASTERS d. 07-03—08.03.26

Who?

The invitation applies from U15 to U20. A maximum of about 16 teams can participate in each category. Spots will be filled on a first-come, first-served basis. The tournament qualifies for U20 to the national championship. It is allowed to promote younger players to an older class. The reverse is only allowed after prior dispensation from the tournament management. In case of violation, the match(es) will be forfeited. As a rule, a player may not be game-determining if they are demoted. In the U15 categories, there can also be mixed genders. The U15/U17 category, if there is significant interest, may be divided into A and B levels. If multiple teams from the same club are registered in the same category, the strongest team must be designated as '1'. The use of guest players/occasional teams is allowed, for example, if two clubs field a joint team for the occasion or lack a player to have enough.

Where?

Games will be played in Dalumhallene, Hjallesehallen, Hunderuphallen, Sanderumskolens Gyml, and Dyrup/Bellinge Culture & Sports Center. There will be transport options to and from the halls in the morning and evening. A minimum of 5 matches per team is guaranteed. DVBF's tournament structure will be used if appropriate. Each team will be assigned officials duties, and not all will have the same amount. For hygienic reasons, we recommend bringing personal whistles. Referees attending to referee their own teams will be offered free accommodation and meals.

Accommodation?

Accommodation is provided at schools in the area, where breakfast and dinner are served for everyone. Lunch is served at the venues. There is a smoking ban at all schools. Only designated entrance doors may be used. In case of an alarm caused by exiting through non-designated exits or similar, a call-out fee will be charged to the club. Accommodation fee is Euro 3,5 per night per person. The consumption of alcohol and drugs is prohibited. If this prohibition is violated, it will result in the expulsion of the entire team without any refund. Registration is online at www.scandinavianmasters.dk. Registration opens on October 1, 2025. For logistical and catering purposes, we ask you to specify the number of players per registered team and a contact person for the team when registering. This can be adjusted continuously.

Deadline for registration is:

January 10, 2026

Price table for SCANDINAVIAN MASTERS 2026 Use:
www.scandinavianmasters.dk for online registration
or contact shr@ken.dk
